What were changed... ???????

Public pond

Public road along the river

Around the back yard

Challenges

- Lack of support from the community
- Poverty and low literacy rate limit participation
- Limited financial support

Future Plans

- Increase educational actions in the MHV
- Expanse educational activities to other villages
- Enlarge implementation of MHV development to other HCs
- Conduct post intervention survey
- Apply IECC at TK-HC
- Continue seeking fund from generous people to support MHV

Networking with other agencies
